NOTICE OF REINCORPORATION TO WORK TUESDAY 14-04-2020

Dear customers

Next Tuesday, April 14, WE WILL PROCEED TO THE PARTIAL OPENING OF OUR WORK CENTER, WAREHOUSES AND LOADING ZONES; In order to meet the needs of our customers, our exhibition will remain closed to the public until further notice.

Our sales representatives will be active at your disposal part-time to attend to your orders, inquiries, emergencies and deliveries with our crane truck delivery service.

For us, the protection of our employees and clients, for the purposes of loading and unloading materials, is very important, so we remind you to follow the instructions given by our employees for the greater safety of all and complying with the recommendations of the health authorities.

We must avoid contact, always keeping the distance of 1.5 meters, and there can only be one vehicle in the loading or unloading area at the same time. So we ask for patience and coordination with our team.

We thank you for understanding these past few weeks and we will do everything in our power to assist you and offer the highest quality service, despite current circumstances.

Receive a warm greeting,
