## LONDON & PARIS | E X T E N D E D

Una auténtica maravilla de la naturaleza; el fascinante mármol travertino, ha servido de inspiración para las dos tipologías de producto de la colección. Nacidas de un mismo bloque, sus diferentes cortes las convierten en piezas notablemente distintas que comparten gama cromática y armonizan a la perfección:

**PARIS:** gráfica sacada de lastras cortadas siguiendo el sentido de las vetas, con lo que se consigue un rayado paralelo con todos los detalles y matices de la sedimentación por capas.

**LONDON:** el corte del bloque a contraveta, muestra la exuberancia del material, suavizando y equilibrando los contrastes, con un esquema envolvente que anula la direccionalidad.

En **LONDON & PARIS EXTENDED** podemos encontrar el color Natural existente anteriormente y un nuevo color, el Blanco; en todas y cada una de las piezas porcelánicas de la serie.

**LONDON & PARIS EXTENDED** amplía sus propuestas con cuatro nuevos formatos 30x30, 29.3x29.3, 30x60 y 29.3x59.3 cm en dos acabados CL1 y CL2 - R10. Dos nuevos mosaicos, **ABBEY** (con la gráfica del London) y **CHARONNE** (con la gráfica del Paris) en los dos acabados CL1 y CL2 - R10.

Unas últimas piezas, **XTRA PARIS-R NATURAL** y **XTRA PARIS-R BLANCO** en acabado R11 de 20 mm de espesor, pensadas para zonas de agua y colocación en seco, con toda una extensa gama de piezas especiales para piscinas, completan la oferta de la colección **LONDON & PARIS EXTENDED**.

Con **LONDON & PARIS EXTENDED, VIVES** da un paso más hacia la perfección en la apariencia y la funcionalidad de los materiales cerámicos.

# VIVES

*An authentic wonder of nature; The fascinating travertine marble was the inspiration for the two types of products in the collection. Born from the same block of marble, their different cuts make them remarkably different pieces that share a chromatic range and harmonise perfectly:*

**PARIS:** *with the graphic taken from slabs cut following the direction of the veins, something that produces a parallel stripe with all the details and nuances of layered sedimentation.*

**LONDON:** *with the graphic taken as if cut against the veins showing the exuberance of the material, softening and balancing the contrasts, with a surround design that nullifies directionality.*

*In the **LONDON & PARIS EXTENDED** collection, we can find the previously existing Natural colour together with a new colour, White; in each and every one of the porcelain tiles in the series.*

**LONDON & PARIS EXTENDED** expands its proposals with four new sizes 30x30, 29.3x29.3, 30x60 and 29.3x59.3 cm in two finishes CL1 and CL2 - R10. Two new mosaics, **ABBEY** (with the London graphic) and **CHARONNE** (with the Paris graphic) in the two finishes CL1 and CL2 - R10 are also available.

*And finally the last few pieces, **XTRA PARIS-R NATURAL** and **XTRA PARIS-R BLANCO** in R11 in 20mm thickness designed for wet areas such as pools and exteriors or for dry installations. An extensive range of complimentary special pieces are available for swimming pools to complete the whole range.*

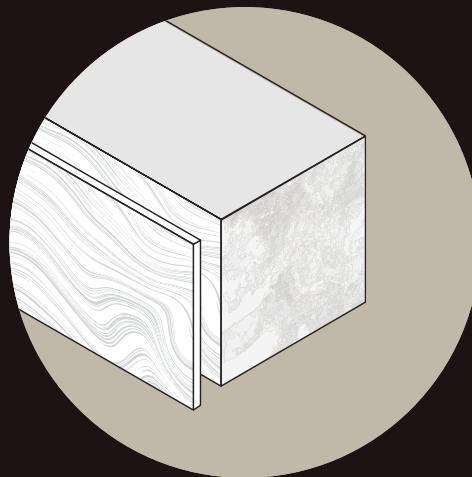

*With **LONDON AND PARIS EXTENDED**, VIVES takes another step towards perfection in the appearance and the functionality of ceramic materials.*
